Runner, creator and final-year IÉSEG student. I built a 30-day running challenge that brought together 2,020 people; now I want to bring that same energy in the sports industry !

EXPERIENCE

Back to Run | Founder & Community Organiser **Aug–Sep 2026**

- Created a 30-day running challenge independently, from concept and website to visual identity, communications and daily community engagement.
- Tracked participation and engagement: 2,020 registrants, around 1,200 who logged an activity and 250 who completed all 30 days; nearly 100,000 km run collectively.

Independent Running Content Creator **Nov 2025–Present**

- Built a running community of 19,000+ followers across social media platforms through short-form video, storytelling and audience engagement.
- Produced, filmed and edited paid brand content for DJI and Brevo, and campaigns coordinated by Needs for Joyfuel and Vai Vai Coco.

Savencia International | Export Sales Assistant Intern **Mar–Aug 2025**

- Supported international client accounts in English and Spanish, coordinating SAP orders, delivery follow-up, promotions and pricing.
- Resolved claims and shortages with internal teams and prepared export documentation.

Nike House of Innovation Paris | Retail Athlete **Jun–Aug 2022**

- Advised international visitors in French, English and Spanish, delivering personalised product and store experiences.
- Welcomed and guided visitors during the Nike Air Zoom Mercurial activation, helping the experience run smoothly.

Decathlon | Running & Team Sports Sales Associate **May–Jul 2021**

- Advised customers on running and team sports products; supported merchandising and stock replenishment.

EDUCATION

IÉSEG School of Management

- Master in Management, General Management & Strategy Consulting
- Completed an elective course in Sports Marketing.
- Developed a sports facility business plan over several months as my final academic project, covering market research, customer experience and commercial strategy.

Universidad Sergio Arboleda, Bogotá

- Exchange semester in Spanish, Jan–Jul 2023

High School Notre-Dame du Grandchamp, Versailles

- French Baccalauréat, Scientific track - Mathematics specialisation, Mention Bien

SPORTS & LEADERSHIP

- IÉSEG Sports Office: Communications & Football Coordinator: Promoted campus sports and events while organising the school's football activities. Helped organise a tournament in Rome for over 150 participants.
- Student association election campaign: Events team: Part of a project selected by a jury for the final campaign; co-organised events for over 1,000 attendees, including logistics, transport and safety.
- Le Virage: Sponsorship Lead: Helped launch a student supporters' association bringing students together around the school's sporting and campus events; responsible for sponsorship.
- Football: 12 years of competitive play.
- Running: Paris Marathon 2026 in 2:38:21; 10 km in 33:01; running at least 5 km every day in 2026.
